INTRODUCTORY AND EXPLANATORY

This printed list includes all lands in the City of Calgary on which taxes are in arrear to the end of 1916, except lands assessed to persons enlisted in the military or naval forces of Great Britain or any of her allies in the recent war.

Great care has been exercised in the preparation of this list to keep out property assessed to any such person, and if any such appears herein, it is due to the practical difficulty that confronted city officials in obtaining the necessary information as to the status of the person to whom it was assessed.

If any such property should be sold, the City has full powers to redeem it, and, consequently, to protect the property owner.

To the sum total of arrears of taxes and interest shown to be due and delinquent on each parcel of land, must be added 25 cents as costs of preparing and printing this list and other expenses and work leading to the sale.

By "parcel" is meant a lot, if the property is subdivided into lots, a block if subdivided into blocks only, and acreage, if unsubdivided.

The sale will open on the 22nd day of April, 1919, at 10 o'clock a.m. The upset price on each parcel is the total of arrears of taxes plus costs of sale. Properties will be sold by public auction on the aforementioned date to the highest bidder.
